## ***Peninsula HOME & REMODEL EXPO***

6th Annual Peninsula HOME & REMODEL EXPO gives you the same great opportunity that our Peninsula HOME & GARDEN EXPO offers; by reserving space you can show Kitsap County consumers all that is available to them for their Home and Remodeling projects

Peninsula HOME & REMODEL EXPO is a great way to market your company locally. It provides you an outstanding opportunity to showcase your products and services to enhance your business activity.

Peninsula Home & Remodel Expo is produced by an experienced and successful show management team from the Home Builders Association of Kitsap County. Reserve your exhibit space now!

We also offer Exhibitors the chance to provide **How-To Demonstrations** and **Clinics** about their products and services. The schedule of demonstrations and clinics is published in our advertising and in our **Official Peninsula HOME & REMODEL EXPO Program**.

2011 Peninsula HOME & REMODEL EXPO will be promoted extensively; including newspaper and television advertising, our Official HOME & REMODEL EXPO Program produced and distributed for the HBA by the Kitsap Sun. Banners, signage and additional advertising and marketing will also be done by our event co-sponsors.
